

Living The Dream: Mastering The Dream Manager Principles!

Spend a day with Matthew Kelly...it will change your life forever!

Matthew Kelly's award-winning bestseller, *The Dream Manager*, has generated enormous interest in the remarkable concept and principles it introduces. Companies want to know how they can start a Dream Manager Program... Managers are asking how they can use ideas in the book with their direct reports... Teams are wondering how they can create the dynamic teamwork it talks about... Individuals are curious about how the ideas can transform their family, relationships, career, and life... and many have even decided they want to be Dream Managers.

This overwhelming response confirms – it's a wonderful thing to achieve our own dreams, but it's an incredible feeling to help others accomplish theirs! If you're interested in learning more about:

- How to define and pursue your dreams
- How to help others achieve their dreams
- How to introduce The Dream Manager concept to your workplace
- How to become a Dream Manager
- What skills make a good Dream Manager
- What this Revolution in HR means to you and your company

...we would like to invite you to a special one day training program that will take your knowledge and understanding of The Dream Manager concept to a new level.
